## Singleton – June 2025

Due to severe weather and flooding to Singleton, and to the areas affected to travel to Singleton, a decision was made by Singleton Showground to cancel our booking for the June rally. It was hoped that conditions would improve before the rally but had not, making for an impossible task to find an alternate booking at last minute.

## The Salvation Army Christmas Appeal Food Donation

This year for our Christmas rally in December at Berry the committee thought it would be nice to make a difference to The Salvation Army Christmas Appeal by donating some non-perishable items to help the many struggling families. It would be great if you are able to help by just adding an extra can, packet, box or personal item into your shopping trolley. Laurie will try to organise for the items to be collected on the Friday by a representative from the Salvation Army Wollongong area.
